

Bestandsdarstellung innerhalb des Baufeldes  
vor dem Bauvorhaben

The map displays a construction site with various features and boundaries. A red dashed line runs diagonally across the site, likely indicating a boundary or a specific construction line. The terrain is shown with contour lines and shaded areas in green, yellow, and blue, representing different elevations or land uses. Buildings and other structures are depicted with outlines and hatching. A north arrow is located in the top right corner, pointing towards the upper right. Various labels and numbers are scattered across the map, including '180/1', '180/2', '250/1', '250/2', '250/3', '250/4', '404/1', '404/2', '404/3', '404/4', '97/1', '97/2', '97/3', '97/4', '97/5', '97/6', '97/7', '97/8', '97/9', '97/10', '97/11', '97/12', '97/13', '97/14', '97/15', '97/16', '97/17', '97/18', '97/19', '97/20', '97/21', '97/22', '97/23', '97/24', '97/25', '97/26', '97/27', '97/28', '97/29', '97/30', '97/31', '97/32', '97/33', '97/34', '97/35', '97/36', '97/37', '97/38', '97/39', '97/40', '97/41', '97/42', '97/43', '97/44', '97/45', '97/46', '97/47', '97/48', '97/49', '97/50', '97/51', '97/52', '97/53', '97/54', '97/55', '97/56', '97/57', '97/58', '97/59', '97/60', '97/61', '97/62', '97/63', '97/64', '97/65', '97/66', '97/67', '97/68', '97/69', '97/70', '97/71', '97/72', '97/73', '97/74', '97/75', '97/76', '97/77', '97/78', '97/79', '97/80', '97/81', '97/82', '97/83', '97/84', '97/85', '97/86', '97/87', '97/88', '97/89', '97/90', '97/91', '97/92', '97/93', '97/94', '97/95', '97/96', '97/97', '97/98', '97/99', '97/100'. The map also shows a road network and a railway line.

Darstellung innerhalb des Baufeldes nach dem Bauvorhaben

The diagram is a detailed technical site plan for a construction project. It shows a central road intersection with three distinct construction zones labeled A1, A2, and A3. Zone A1 is a triangular area with green diagonal hatching and tree symbols. Zone A2 is a yellow hatched area on the left. Zone A3 is a green hatched area on the right. The central road is shown in grey with dashed white lines. Various engineering features are labeled, including 'Spundwand' (sheet pile wall), 'Traggerüst' (scaffolding), 'Zufahrtsrampe' (access ramp), and 'Baustelleneinrichtung' (construction site setup). Topographic contour lines are shown in orange, and a north arrow is located in the upper right corner. The plan also includes labels for 'Freigeige Male' (freezing lines) and 'Kontur' (contour).
